Email : tech@avinyax.com

Date : 8th March 2026

Quotation No. : XTPL/ITES/20260308

Scope of work :

1. Social Media Marketing & Management

We shall manage and optimize the social media presence for the Open Roof Restaurant, the Korean Style Restaurant, and the Hospital/Healthcare Facility across key platforms, with a primary focus on Instagram, to enhance brand awareness, foster audience engagement, and drive increased customer footfall and patient inquiries.

Our comprehensive services will include:

- Development of a strategic monthly content calendar tailored to seasonal trends, restaurant highlights, healthcare awareness topics, and promotional campaigns
- Regular posting of creative, high-quality content such as photos, stories, and reels
- Optimization of profiles including bio updates, link-in-bio configurations, and hashtag strategies to maximize organic reach
- Professionally crafted captions incorporating relevant hashtags
- Ongoing performance monitoring with detailed monthly reports on metrics including reach, impressions, engagement rates, follower growth, and actionable insights.

2. Meta Ads Management

We will design, launch, and manage targeted advertising campaigns via Instagram and Meta platforms (including Facebook) to precisely reach potential customers and patients based on location, interests, demographics, and behaviors.

These campaigns will aim to increase restaurant visits, reservations, and hospital patient inquiries or appointments.

Services include:

- Comprehensive campaign strategy and ad planning aligned with business objectives
- Audience targeting using Meta's segmentation tools
- Strategic boosting of high-performing organic posts and reels
- A/B testing of creatives, copy, and calls-to-action
- Budget monitoring to ensure cost efficiency and ROI maximization
- Monthly performance reports including impressions, clicks, conversions, cost-per-result, and campaign insights.

3. Google Ads Support

We will establish and oversee Google Ads campaigns optimized for local search visibility to ensure that the restaurants and hospital appear prominently in relevant searches.

Services include:

- Keyword research for high-intent searches
- Campaign setup and structure optimization
- Local search advertising strategy with location extensions
- Creation and optimization of compelling ad copy
- Hyper-local targeting within a defined geographic radius
- Continuous campaign monitoring and optimization
- Monthly performance reports.

4. Reel Creation & Short Video Content

We will produce engaging short-form video content to boost reach and engagement for both restaurant brands and the hospital.

This includes:

- Concept planning for reels showcasing menu items, restaurant ambiance, and healthcare awareness content
- Professional on-site shooting
- Editing with trending audio, text overlays, and transitions
- Creation of engaging formats such as behind-the-scenes, quick tips, food highlights, and health awareness videos.

5. Creative Design & Branding

We will create visually compelling design assets that maintain a strong and consistent brand identity across the restaurants and the hospital.

Services include:

- Promotional creatives for offers, events, and health campaigns
- Festival and seasonal marketing creatives
- Menu highlights and healthcare informational graphics
- Brand consistency through standardized colors, typography, and visual identity
- Quick turnaround for custom design requests.

6. Brand Visibility & Walk-in Growth Strategy

Our integrated marketing initiatives will focus on increasing restaurant footfall and hospital patient inquiries through digital visibility and targeted campaigns.

Key objectives include:

- Expanding online reach through multi-channel digital marketing
- Enhancing local brand recognition
- Promoting the unique dining experience of the restaurants and healthcare services of the hospital
- Running targeted campaigns to convert online engagement into restaurant visits and hospital appointments.

7. Reporting & Performance Tracking

We will conduct detailed performance monitoring and provide transparent monthly reports including:

- Advertising performance across platforms
- Reach, engagement, and audience insights
- Campaign optimization updates
- Growth metrics including follower growth, website traffic, restaurant walk-ins, and hospital inquiries.

8. SEO & SERP Ranking Optimization

We will implement a comprehensive Search Engine Optimization (SEO) strategy to improve the visibility and ranking of the restaurants and hospital on Google Search Engine Results Pages (SERP) for high-intent searches.

Scope

- Keyword research and competitor SEO analysis
- On-page SEO optimization (titles, meta descriptions, headings)
- Content optimization for restaurant pages, menu highlights, and healthcare service pages
- Structured data implementation and search engine indexing optimization
- Continuous monitoring and improvement of keyword rankings

Objective

Increase organic search visibility for high-intent searches related to dining experiences and healthcare services.

9.Optional Add-On: Professional Video Shoot Services

As an optional service, we can provide professional on-site video shoot services for the Open Roof Restaurant, Korean Style Restaurant, and the Hospital/Healthcare Facility to create high-quality visual content for social media, advertising campaigns, and promotional marketing.

Scope

- On-site professional video shoots for restaurant and hospital premises
- Food videography showcasing signature dishes, preparation process, and dining ambiance
- Experience-based shoots highlighting the open-roof setting and restaurant atmosphere
- Hospital video shoots including facility tours, doctor introductions, treatment highlights, and health awareness content

Note:

This service will be provided on request and will be charged separately from the standard marketing package.

Exclusions

- Any third-party services, tools, platforms, influencers, or vendors (if required) shall be paid directly by the client.
- Campaign operations, including but not limited to forecasting, planning, digital placements, and related lead generation activities, shall be conducted within the geographic regions or markets as mutually agreed in writing by the Parties prior to the commencement of each campaign engagement. The specific geographic parameters for any campaign shall be defined based on the Client's approved marketing budget, target audience criteria, and campaign objectives, and may be amended from time to time by mutual written consent of the Parties. For the avoidance of doubt, the Client acknowledges and agrees that all leads generated under this Agreement shall originate from the defined regions or markets specified in the applicable campaign scope documents.
- The Agency provides its services on an 'as-is' performance basis. The Agency expressly disclaims any guarantee, expressed or implied, regarding the commercial growth, market positioning, or success of the Brand or the Brand Owner. The Client agrees that the Agency shall not be held liable for any fluctuations in brand value or failure to meet specific growth milestones.

Content Production Forecast (Per Month)

Content will be distributed across Instagram, Facebook, and LinkedIn to ensure maximum visibility and engagement.

Content Type	Weekly and Monthly Estimate
